# MRS. CARROLL'S CLASSROOM NEWS

This month we will finish *The House On Mango Street* and begin reading Raina Telgemeier's cartoon style books. They are relatable and exciting to read because the

Where would we be without IBL (Inquiry Based Learning)?

Science experiments are under way as my learners will be hypothesizing and finding evidence to support their claims using guestimates and research.

Thursdays are now dedicated to STEAM activities so don't forget to add it to your schedule! Students are learning cooperatively and will meet twice each Thursday with a decent lunch break to ensure energy for hard work.

First up, Cooking and Baking!
